Applicant's Mission Trip Agreement – Please Read Carefully

I pledge to

- A. Keep a positive, cheerful attitude, and remember the goal of this trip is to serve and minister to others. I will serve when, and in the way asked of me without complaining or delay.
- B. Obey all rules, respect the leaders and act in a manner consistent with a Christian on a mission trip. I understand if I do not my parents will pay for my early return, for the chaperone's ticket AND pay for the return of the chaperone to Panama so he/she can continue the mission trip.
- C. Learn and respect the culture of the local church and Panama and be mindful of my witness, action, words and appearance at all times.
- D. Uplift my fellow workers never putting them down, to experience fellowship and a Christ-like community with them. I will refrain from any public displays of affection and avoid the appearance of evil by staying together as a group.
